### Corrections

Anderson, William C., d. April 15 (not 25), 1831; etc.

Grover, Cornelius S. See following entry.

Hagaman, James W. The inscriptions of "Amy Ann," "Carloyme," and "Charles Grover" should have been noted in connection with Cornelius S. Grover, instead of James W. Hagaman. And there are four others as well: Suphiah, Jesse, Harmon, and A.B.I.

H——son, William A. See William H. Runyon, below.

Runyon, William H., (not "A.")\*; wife Lydia J.\*; daughter Susan A., d. Aug. 25, 1866, aged 8.0.21. This stone is worn and the surname had been taken for H——son; Susan's inscription had been thought illegible at the time of copying.

Shumard, Joseph W., etc.; 1st wife Lydia, d. July 25, 1848, aged 58.8.13 (not 68.8.18); 2nd wife Mary, d. Dec. 17, 1878, aged 80.0.19 (not 60.0.19); etc.

## MERCER COUNTY GRAVESTONES

### CORNELL FAMILY BURYING GROUND, HOPEWELL TOWNSHIP

This burial ground about seventy-five feet square found in a clump of trees immediately north of Pennington was copied April 14, 1952, by Edward J. Raser. The plot contains two brown headstones and about two dozen fieldstones, only three of which show any traces of inscriptions.

Cornell, Betscy, d. March 10, ——. "Betsey Cornell Dd / Mc 10 Agd [*the rest missing*]." (A fragment bears the number 18 or 81, which may refer to age, 1781, or a date in 1800s.)

C[ornell?]. "I C" on a grey fieldstone.

C[ornell]. "W. C. + D + M + 30 + 1749." (On a large grey fieldstone in excellent condition, it undoubtedly is the marker of William Cornell, who made a will Oct. 7, 1747, proved April 17, 1749.)

Cornell, William, b. March 30, 1759, d. Feb. 12, 1833; wife Elizabeth, b. Oct. 29, 1765, d. July 16, 1845.
